Application No. 10/685,274

Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner contacted Applicant's representative to propose an Examiner's Amendment in order to allow the instant application. In order to avoid confusion when the instant Application is published, the Examiner has indicated clearly that original claims 1-20 are canceled. Further, amendments to claims 21 and 23 were proposed by the Examiner in order to obviate potential objections and rejections under 35 U.S.C. 112, second paragraph (Please refer to Examiner's Amendment mailed herewith). The Examiner also indicated drawing amendments to Figures 7 and 8 that are necessary in order to issue the instant application. Applicant's representative authorized the amendments proposed by the Examiner.
